

# Pretty Girl

by Vincent Vincent & the Villains

Well there's a pretty \_\_\_\_\_ girl  
Such a pretty \_\_\_\_\_ girl  
I think she lives around the corner from me  
Sometimes I see her walking past my \_\_\_\_\_ as I stare out vacantly  
Well how I wish we could meet and have \_\_\_\_\_ to eat,  
Or maybe we can go for a dance,  
It's just effortless the way she lights up my \_\_\_\_\_; I really gotta take a  
chance.  
And say ...

## Chorus:

Pretty little girl are you in \_\_\_\_\_?  
Well, I \_\_\_\_\_ see you out on your own,  
Do you think that maybe I could get your number?  
And I'll call you on the \_\_\_\_\_...

Whoa oh oh oh  
I \_\_\_\_\_ she saw me  
Whoa oh oh oh oh  
Well she didn't \_\_\_\_\_ me at all  
I went...  
Hear my heart \_\_\_\_\_!

Well just the other day I was \_\_\_\_\_ some food at my local Tesco store,  
And I turned around and saw her there w-w-\_\_\_\_\_ down aisle  
\_\_\_\_\_,  
In the \_\_\_\_\_ section she looked like perfection,  
And I knew that I had to say '\_\_\_\_\_'  
and seeing her \_\_\_\_\_ in the grocery store; was the perfect alibi  
I said...

**Chorus:**

Pretty little girl are you in love?

Well I \_\_\_\_\_ see you out on your own,

\_\_\_\_\_ you think that maybe I could get your number?

And I'll \_\_\_\_\_ you on the telephone...

Whoa oh oh oh...
