

IT'S CHRISTMAS EVE

It's Christmas Eve.
Father Christmas is very busy

He has to take all the presents to
the children.

All his reindeers are ready, but Oh
no, Where is Rudolph?

He is the youngest reindeer and he has a red nose.

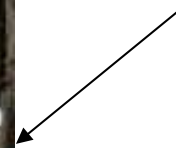

red nose

Father Christmas runs into the forest to look for him

forest

Yes!!!

There he is, behind the tree!

Why did you run away? Asked
Father Christmas.

Because I'm so nervous.
It's my first Christmas, I don't know
what to do.

Don't worry, the other reindeers will show you. Let's go!

And they had a great Christmas.
Rudolph helped a lot and after
work, they all had a wonderful
Christmas party
