

"I Wish That I Could See You Soon" by Herman Düne

I had to and go away
but I think about you
and in the
I wish that I could see you

and when I I felt so fine
it was like there was nothing left
it was like Rockaway Beach in
I wish that I could see you soon

I had to meet you baby
I had a baby
but you with a harpoon
I wish that I could see you soon

The angels go "How long 'til you?"
and I'm like: ".....,
"Do you really think?"
"Well I and there's nothing I can do,
well I and there's nothing I can do", go!

Now listen, now that I am
I wonder if you're gonna
or if you're gonna find a to spoon
I wish that I could see you soon

and if you my pretty friend
until I come back to
we'll be like bugs when they break through a cocoon
you know, I wish that I could see you soon

it's been a while since.....
now i found someone I
under the, under the
I wish that I could see you soon

Angels: "how long 'til you?"
and I'm like: "T.....
angels: "do you really think?"
and i'm like: "there'sand there's nothing i can do
there's and there's nothing i can do", go!

Angels again: "How long 'til you?"
I'm like: "Well,
"Do you really think?"
and I'm like: "There's and there's nothing i can do
noand there's nothing I can do,
Well, no and there's nothing I can do
no and there's nothying I can do"
